

Liminal Abundance

liminal – the threshold; the in-between hour at dusk

Almost all of them believe they carry it alone.

They don't. Neither do you.

At dusk, we light a light – and remember, together.

TONIGHT, AT DUSK

- 1 **Light a light** — a candle, a lamp, anything.
- 2 **Step outside.** Pause. Breathe.
- 3 **Hold someone** you've lost.

Every other light out there is someone doing the same.
